

NASA UPDATE

- Clarification to the IDC rate wording in 2 CFR 1800 terms
- DOL overtime for post docs
- Assurance of Compliance with the National Aeronautics and Space Administration Regulations Pursuant to Nondiscrimination in Federally Assisted Programs – NASA Form 1206 – renewed every 3 years
- 20 open funding opportunities with proposal due dates after Oct. 1
 - Go to grants.gov under “Synopsis” select “Link for More Information”
 - Transfer to NASA Solicitation and Proposal Integrated Review and Evaluation System – NSPIRES, for copy of full funding opportunity

NSPIRES

- Access NSPIRES at <https://nspires.nasaprs.com/external/>
- Go to “ Getting Started” to register
- All PIs and Co-Is must register in NSPIRES
- Proposers should use the NSPIRES registration module to affiliate with an organization
- Every Co-PI, Co-I, and Collaborator must acknowledge his/her intended participation in the proposed effort
- PDF must follow NASA guidelines to be ingested into NSPIRES

GRANTS.GOV

- Complete SFR 424 R&R forms as specified
- NASA specific forms
 - NASA Other Project Information
 - NASA PI and AOR Supplemental Data Sheet
 - NASA Senior/Key Person Supplemental Data Sheet
- Still must register in NSPIRES
