- Partnering

# Open Discussion

# Timeline

May 9, 2014	DATA Act signed into law (Public Law 113-101)
May 9, 2015	OMB and Treasury finalize government-wide financial standards, including common data elements, unique award identifiers, and fields. [Sec 4, (c)(1)]
	Begin pilot program on recipient reporting based on common data elements defined by OMB and Treasury [Sec 5, (b)(1)]
May 9, 2017	Pilot program terminates [Sec 5, (b)(5)]
90 days after 5/9/17	Report to Congress 90 days after the completion of the Pilot [Sec 5,(b)(6)]
May 9, 2018 + 90 days	Recipient reporting begins on all Federal funds based on common data elements defined by OMB and Treasury. This is 1 year after the Report to Congress [Sec 5, (b)(7)]
	Agency reporting begins on spending from each appropriations account
