1800.210 Information contained in a Federal award

NASA waives the requirement for the inclusion of indirect cost rates on any notice of Federal award for commercial firms with no cost sharing requirement.

1800.929 Indirect Costs.

If during the course of this award, the approved indirect cost rate is revised, changed or removed, that rate must be applied, as allowed, to the covered direct costs that are expended during the time frame of that rate agreement. Any corrections, either up or down, to the approved budget submitted with the awarded application must be reflected in the awardees' records of costs and should be audited as such.

1800.930 Access to Research Results

This award is subject to the requirements of the, “NASA Plan: Increasing Access to the Results of Scientific Research,” which covers public access to digital scientific data and peer-reviewed publications.

(b) The recipient shall:

- (1) Comply with their approved Data Management Plan submitted with its proposal, and as modified upon agreement by the recipient and NASA from time to time during the course of the period of performance.

1800.930 Access to Research Results

(b) The recipient shall:

(2) Ensure that any Final Peer-Reviewed Manuscript is submitted to the NASA-designated repository, currently the PubMed Central system at www.ncbi.nlm.nih.gov. ...

(3) Ensure that any publisher's agreements entered into by an Awardee will allow for the Awardee to comply with these requirements ...

(4) Agree to be responsible for, and defend NASA against, any royalties, fees, or other costs claimed against NASA or for which NASA may be held liable as a consequence of Awardee failing to comply with the foregoing. Include in annual and final reports a list of Final Peer-Reviewed Manuscripts covered by this term and condition.
