

Default Question Block

Select your institution:

Principal Investigator Name

First Name

Last Name

Who is completing this survey?

- Principal Investigator
- Research Administrator submitting on behalf of the Principal Investigator
- Other. Please describe.

Did you complete your DMS Plan in DMPTool.org or paper?

- DMPTool.org
- Paper

What format page/template did you submit?

- Pilot template: Alpha (structured)
- Pilot template: Bravo (structured plus free text)
- Published Sample Format Page (Control)
- Other

If possible, please provide a link to your DMS Plan.

What is your Research Discipline?

How would you describe your level of familiarity with this policy?

- High
- Medium
- Low

How would you describe your level of familiarity with general data management and sharing best practices?

- High
- Medium
- Low

Have you submitted a DMS Plan to NIH previously?

- Yes
- No
- I'm not sure.

I have previously submitted a DMS Plan to NIH:

- Under the old 2003 policy
- Under the new 2023 policy

Did you have assistance from others to complete the DMS Plan?

- No; I'm a DMS Plan wizard and didn't need any
- No; additional resources were not available at my institution
- No; for a reason not listed above
- Yes

Select all resources you received assistance from:

- Library
- IT

- Research Administration
- Postdoc/graduate student
- IRB/Compliance
- Information Security
- Other; please describe

In hours, please estimate to the best of your ability:

- How much time you spent completing the DMS Plan
- The amount of time others spent assisting you in completing the DMS Plan

How would you rate the usability of the format/template you used?

Were there any data points requested that are irrelevant for your field? If yes, please describe.

Were there any data points critical for your field that were not requested? If yes, please describe.

Block 1

Will you need to adjust the standard practices in your lab in order to implement the DMS Plan as proposed?

- Yes, I will need to significantly modify our standard practices to implement the proposed DMS Plan

- Yes, I will need to make minor modifications to our standard practices to implement the proposed DMS Plan
- Yes, this is a new activity for my lab, so we will need to adopt new practices to complete the project and implement the proposed DMS Plan
- No, the proposed DMS Plan reflects the standard practices already in place in my lab
- I cannot be sure until we enter the implementation phase
- Other; please describe

If there is any other feedback you would like to share on the format/template you used and/or the DMS Plan requirements, please provide the feedback in the text box below.
