- Moving Forward

Export Control Subcommittee

Current Export Control Issues

- High Risk Entity Lists – Company Screening
- Foreign Talent Programs
- Export Classifications & Jurisdiction Determinations
- Harmonizing Federal Regulations Across Agencies
- Cybersecurity and CUI in the Laboratory

Export Control Subcommittee

Faculty Concerns and Administrative Burdens

- Why didn't you tell me my data is controlled!
- Why can't I use my students on the project?
- Reconfigure my equipment?
- This is fundamental research!
- How can I conduct my research with these requirements?

Export Control Subcommittee

Membership Suggestions

- Harmonization of requirements
- Best practices
- Reduce administrative burdens
- Affect positive change
